Re: *Doe v. Rochester Institute of Technology*
Civil Action No. 6:21-cv-06761-FPG-MWP

Dear Judge Payson:

Please let this serve as a response to the Court's Text Order 10. Defendant Rochester Institute of Technology does not oppose Plaintiff's motion to proceed under a pseudonym. To the extent the Court would like RIT to file something more formal expressing its opinion in this regard, please advise.

Respectfully,

BOND, SCHOENECK & KING, PLLC
